

POLYTECH ORLÉANS

SUMMER CAMP

5th JUNE 2023 - 16th JUNE 2023

THE UNIVERSITY:

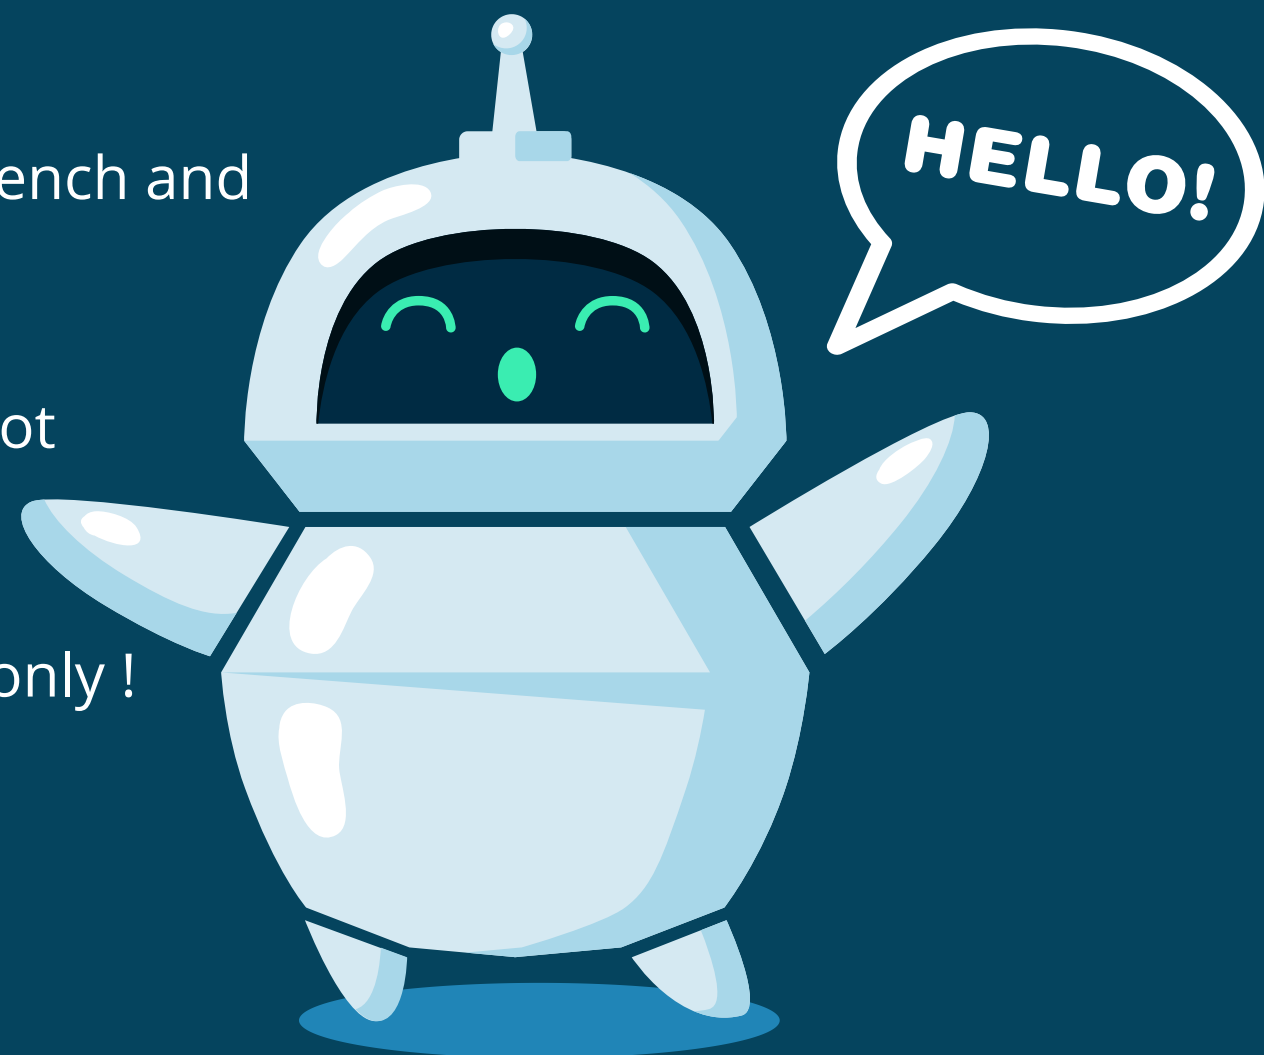

-  A pluridisciplinary University with around 20 000 students.
-  A wooded campus 20 minutes away from Orléans downtown by tram and only an hour away from Paris by direct train !
-  Polytech Orléans is part of the biggest network in France with 16 graduate schools teaching science and technology.

THE SUMMER CAMP:

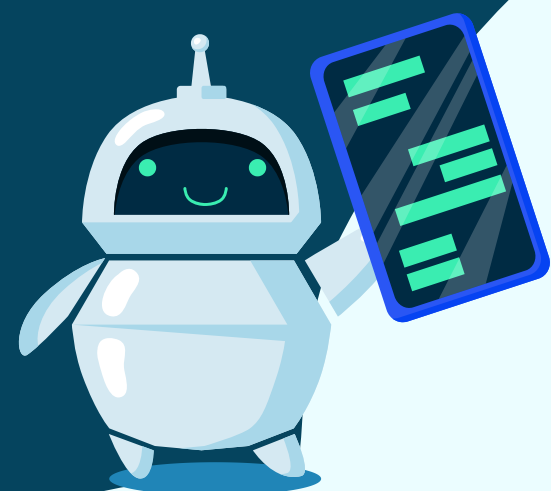

-  Participate to the 2023 **Polytech robotic challenge** with French and International students.
-  Join one of our 40 teams, imagine and design your own robot
Experience the French student life and culture.
-  No tuition fee : pay for your travel and your accomodation only !
Accomodation with host families, guided tours and visits ...

REQUIREMENTS:

-  Level B1 in English

To get a first glimpse of what you will do, take a look at this video from the 2017 Robotic challenge: *2017 Polytech Orléans Summer Camp - YouTube* or scan the QR code
